APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the number of stock watered daily, which number must be stated in the proof of beneficial use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0124

cubic feet per second, or sufficient to water 2000 sheep or 100 head of cattle.

Actual construction work shall begin on or before January 21, 1954

Proof of commencement of work shall be filed before February 21, 1954

Work must be prosecuted with reasonable diligence and be completed on or before January 21, 1955

Proof of completion of work shall be filed before February 21, 1955

Application of water to beneficial use shall be made on or before

January 21, 1955

Proof of the application of water to beneficial use must be filed with State Engineer on or before February 21, 1955

Map Filed JAN 15 1953

Proof of commencement of work filed FEB 23 1954 WITNESS MY HAND AND SEAL this 21st day
